- 4.2.2 the maturity of the student
- 4.2.3 the number and frequency of incidents
- 4.2.4 the individual circumstances of the student.

4.3 Remediation and/or consequences for students found to be plagiarizing or cheating may include: re-doing the assignment, completing an alternate assignment, informing parents, demonstrating their understanding of plagiarism or cheating, and/or loss of marks or partial marks on the original assignment for evaluation.

5. Examination/Evaluation Days

- 5.1 The Board may assign up to 10 examination/evaluation days to each school for use during the school year. Each school shall include these days in its school year calendar, to be submitted to the Board for approval as part of the Board's school year calendar submission to the Ministry of Education.
- 5.2 Each school, subject to the approval/direction of the responsible superintendent, may place the examination/evaluation days on its school year calendar in a way that best suits program needs, but must be toward the end of each course.
- 5.3 The placement of the examination/evaluation days shall be made following consultation with staff and the school council and shall be communicated to students and the school community.
- 5.4 Each school must have a clear procedure in place for alteration in the scheduling of examination/evaluation days on the school year calendar in the event of bus cancellations because of inclement weather. The principal must inform their superintendent of the new examination/evaluation date's) and the reason's) for the change. The school must inform student's)/parent's)/guardian's) of the altered date's) as far in advance as possible. The Board must inform the Minister of Education of the altered date's) as far in advance as possible.
