Standard 16 Coordination of Services with Other Ministries or Agencies

At the Kawartha Pine Ridge District School Board, we value community engagement to build partnerships that support student learning.

[Policy/Program Memorandum 149 | Education in Ontario: policy and program direction | ontario.ca](#) issued on September 25, 2009 by the Ministry of Education, directed school boards to review and to develop local protocols for partnerships with external agencies for the provision of services in Ontario schools by regulated health professionals, regulated social service professionals, and para-professionals. We continue to establish such protocols through ongoing, open dialogue. We meet as a group of Coordinated Service Providers ([Grandview](#) and [Five Counties](#) Children's Treatment Centres, [Central East area | Home and Community Care Support Services \(healthcareathome.ca\)](#)) to ensure that we are functioning within our mandates, and to problem-solve service delivery challenges. We are grateful for our partnerships with our local health units, our local police services, our local Children's Aid Societies, and the joint protocols which we have established with them.
